

Släktföreningen Helje Mattssons i Kumlatofta ättlingar

Invitation to annual meeting!

This year it is 300 years ago that our ancestor Helje Mattsson was born. We would like to pay extra attention to his birthday and make a little journey in our history. We will meet on the 26th of September and this is the schedule:

1 pm: We meet at **Lilla Rödde museum** and will have a guided tour. You will pay entrance fee, 25 Swedish kronor, there. You can buy coffee, cake and juice there. The museum is an old farm where ancestors of ours lived. The last people were two sisters, Hanna and Anna, they never got married but worked very hard on their "hemgift", that was what every woman should have made to bring to the new home when she married, for example tableclothes, sheets, blankets, pillows and much more. The sisters "hemgift" is still there and they were very skilled with needle work so it is nice to see. Also, the sisters never had any modern things done to the house, they lived like people did back in time. The museum is keeping the farm exactly like it was when the sisters lived there.

2.30: Worship at **Everlövs church**, held by a pastor from the family: Gert Nilsson. Inger Bleenow will also tell us about Everlövs church, that is very old, built in the 1200 and 1400s. After the short worship you will receive a map over the graveyard with all our relatives marked out. You can find your ancestors graves or just stroll around, about 100 graves belongs to our family!

4.30: Annual meeting at **Rydsgårdshus, Rydsgård.**

6.00: Dinner is served! The cost is 280 kronor / adult and half price for children below 12 years. During dinner we will hear Mauritz Larsson tell about his grandparents and their life with all 18 (!) children, we will also sing together and have opportunities to meet a lot of family. If you need any special food, such as vegetarian or if you have allergies, please let us know early.

You will also be asked to donate 100 kronor for your membership, this is to keep the Family Association running. Also let us know about changes in family, if anyone has passed away or if a new member has been born?

We now have a new webpage that we work on, please visit at www.heljemattsson.se It will eventually be translated to English, so be patient.

Please announce your participation latest by the 10th of September!
